

## Muttsee hut – the oasis at 2501 meters above sealevel

### Location

At the Kistenpass in the area of the Glarus Alps, Switzerland, south of Linthal on a high plateau above the Muttsee lake.

### Get there

From Linthal-Tierfehd: [Cable car](#) to Kalktrittli - marked footpath to the hut. 2.5 hours / T3  
From Breil/Brigels: Marked footpath over Rubi Sura and the Kistenpass. 6-7 hours / T3

### Ascents

Hausstock, Ruchi, Nüschenstock, Muttenstock, Bifertenstock

### Pass crossings

Kistenpass between Linthal, Glarus and Breil/Brigels, Grisons

### Infrastructure

69 beds with nordic duvets (cotton or silk sleeping bags are obligatory - available for rent), toilets and washing facilities inside the hut (separate for male and female), coin-operated shower, electric light in the whole house.

### Opening times

The hut warden is present from mid-June to mid-October. During the other times of the year the winter room is open (8 beds, no water, toilet outside the hut).
